What's in this update?

This monthly newsletter shows all our volunteering opportunities for the rest of the academic year and beyond, helping you plan ahead.

We'll also occasionally send **The Shortlist** – a brief update highlighting upcoming events where volunteers are still needed. These are designed to be quick to read and easy to act on.

Our volunteering opportunities help prepare young people for the world of work – don't miss your chance to get involved!

At EBP, **we are committed to building a diverse and inclusive community of volunteers** who reflect the wide range of backgrounds and experiences of the young people we support. We welcome volunteers from all walks of life, including people of all ages and cultures, those from global majority backgrounds, those from the LGBTQ+ community, those with disabilities, and neurodiverse individuals. We are keen to understand and meet individual support needs wherever we can. We want every young person to feel seen, heard, and represented, and believe that by bringing together volunteers with varied experiences, we can help prepare them for the future with confidence and support.

Your unique perspective will help make a real impact!

Other news:

15 staff. 25km. Donate to support life-changing programmes!

A team of EBP staff are taking on a 25km walk from Kennet School to John O'Gaunt School on Tuesday 14th July.

 We're raising funds to support the core of our work—the people, resources, and infrastructure that make our programmes possible.

Every day, we help young people with huge potential build the skills, confidence, and opportunities they need for the future. Behind every success are essential costs that are vital, yet often hardest to fund.

 Your donation supports:

- ~ Workshop delivery and staff time
- ~ Programme development aligned with employer needs
- ~ Safeguarding and training
- ~ Running costs and outreach to reach more young people

 Every contribution makes a difference.

 Thank you for supporting the next generation.
